SECTION 01 OF 11

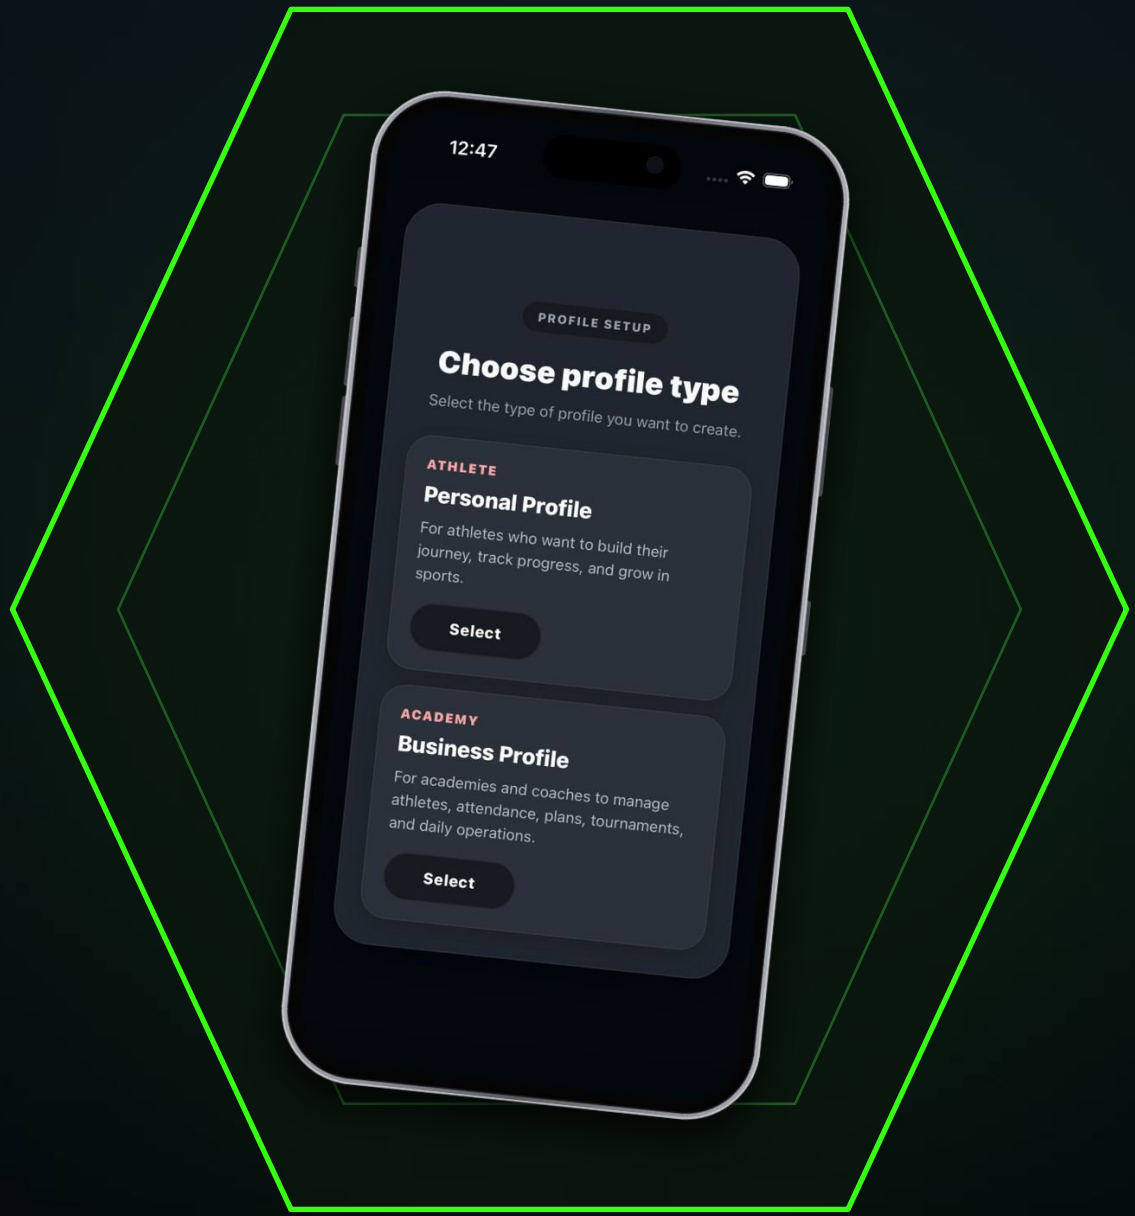

01

Getting Started

Create your Business Profile with just your phone number.

IN THIS SECTION

- Choose Business Profile
- Pick your sport and location
- Verify your number, set up your profile

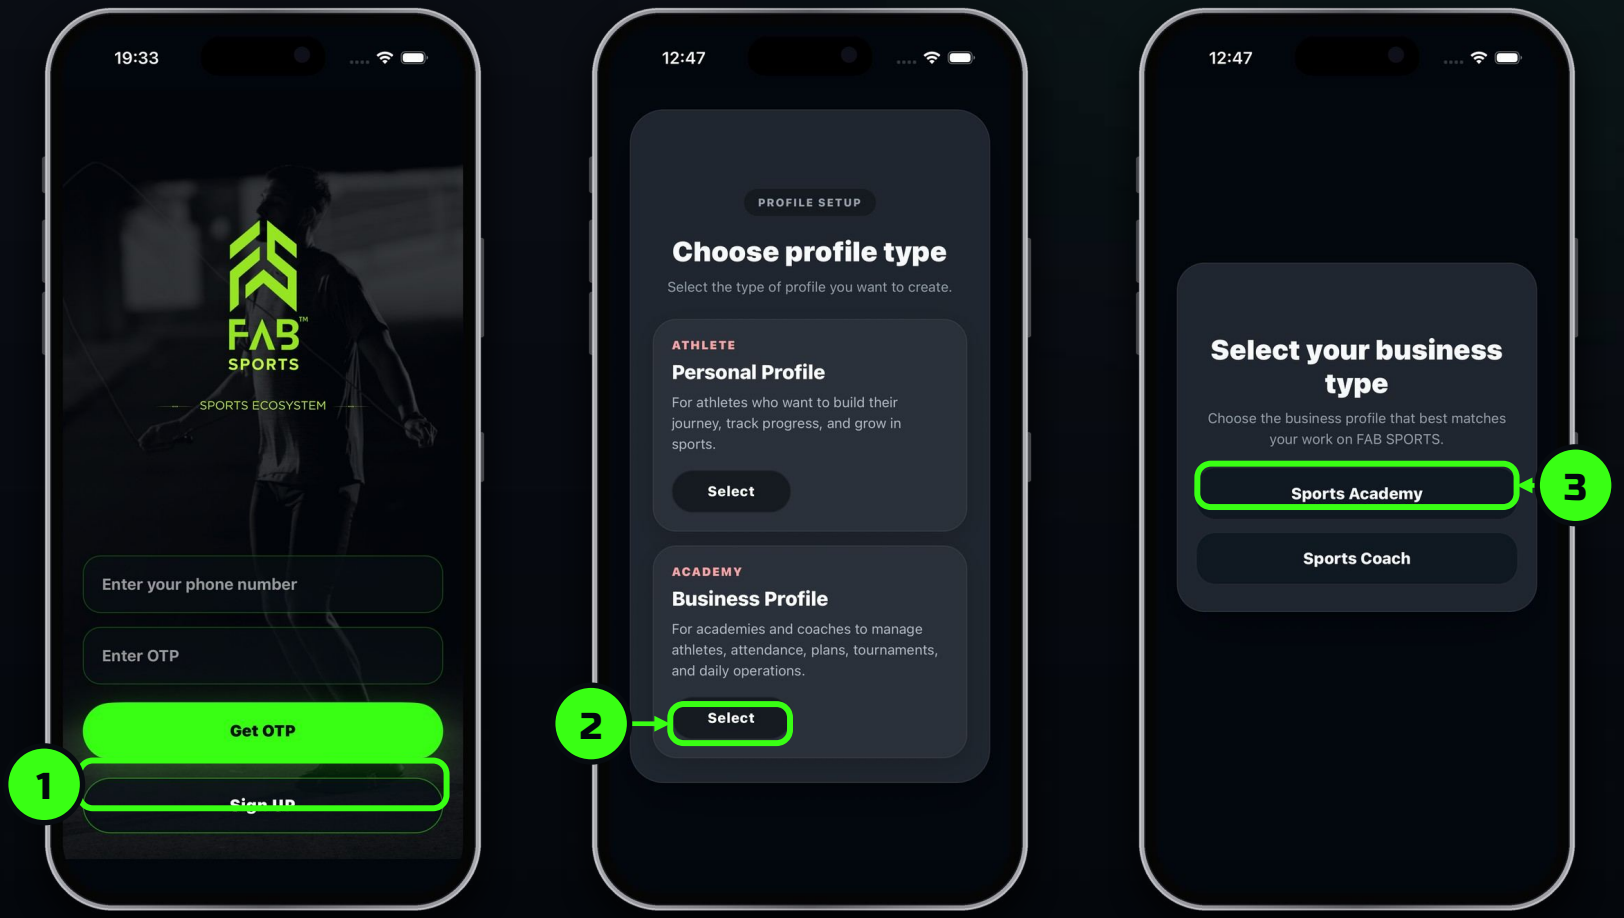

1 / 11

Sign up and choose Business Profile

Open FAB SPORTS and start a new account.

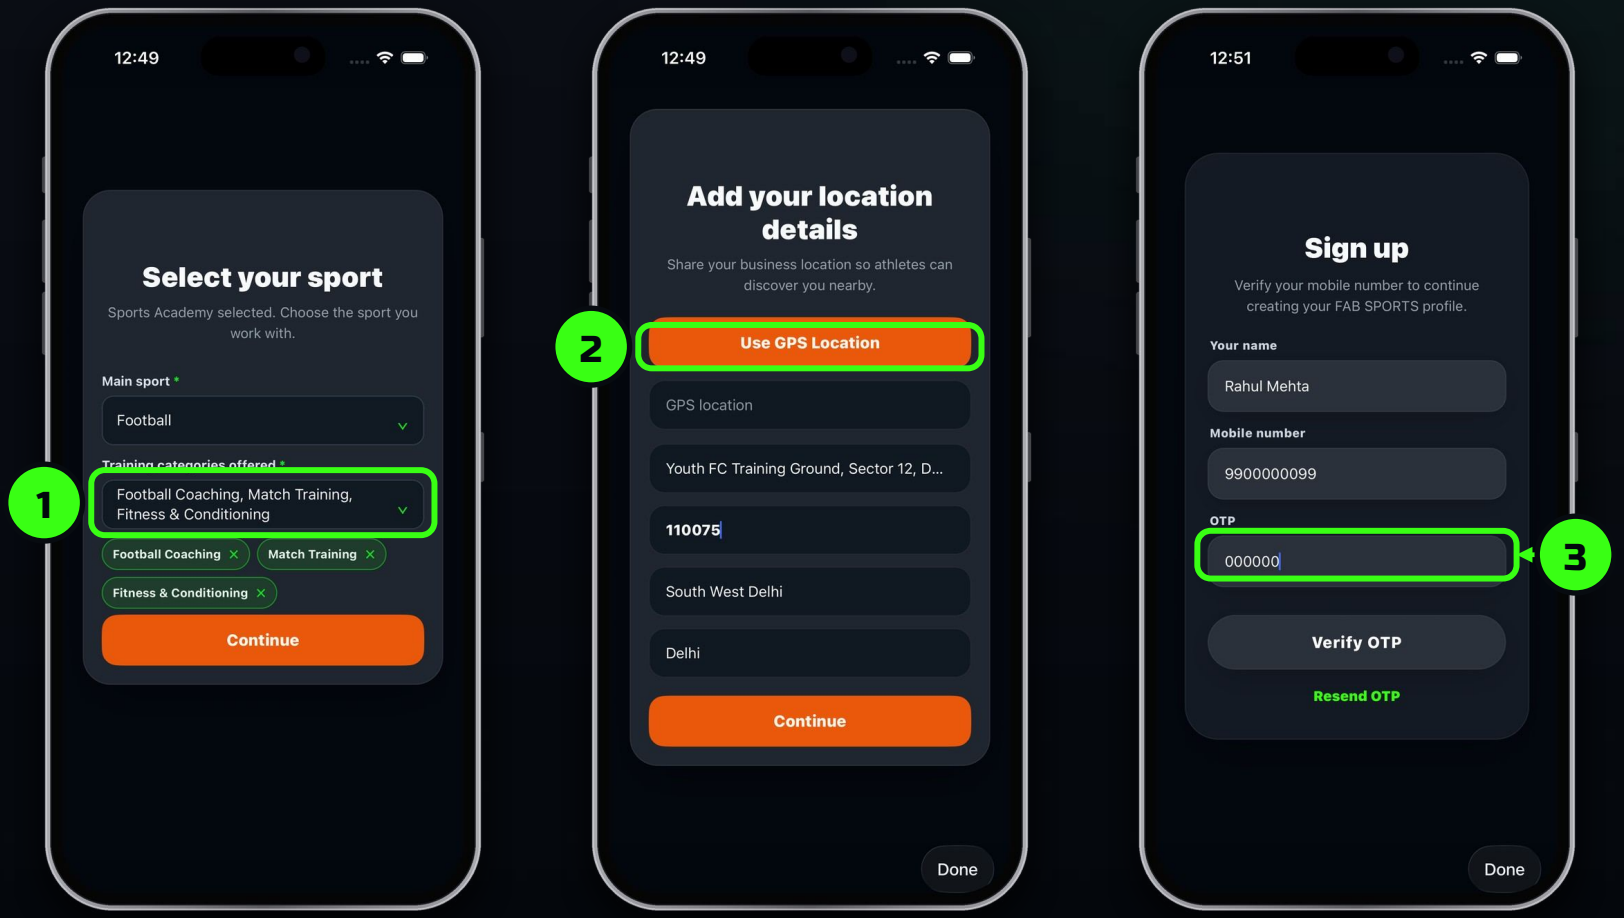

1. Tap Sign UP
2. Choose Business Profile
3. Pick Sports Academy or Sports Coach

Tell athletes what you teach and where

Your sport and location help athletes nearby discover you.

1. Pick your sport and training
2. Add your location
3. Verify your number with the OTP

Finish your profile and you are live

Add your picture, name, user ID and bio.

1. Fill in your profile, tap Create Profile
2. Tap OK on Profile saved
3. Your academy page is live

SECTION 02 OF 11

02

Dashboard

FSLA is your academy control room. Every tool is one tap away.

IN THIS SECTION

- The FSLA tools menu
- The bottom tab bar
- Your academy profile

2 / 11

DASHBOARD

FSLA puts every tool one tap away

Tap the green FAB button in the middle of the tab bar.

Attendance
Batches, members, consent

Weekly Plan
Workouts per batch

Equipment Count
Gear and low stock

Performance Update
Tests and skill ratings

Manage Finance
Fees, staff, expenses

Give Access
Staff help (owners only)

Tab bar: Home · Camera · FAB (FSLA) · Search · Profile

Your academy profile is your shop window

This is what athletes and parents see when they find you.

1. Header: logo, name and followers
2. About: your academy story
3. Photos and videos tab
4. Tap Create Post to share

SECTION 03 OF 11

03

Members & Batches

Bring athletes in and group them into batches.

IN THIS SECTION

- How athletes join
- Create and edit batches
- Assign members to a batch

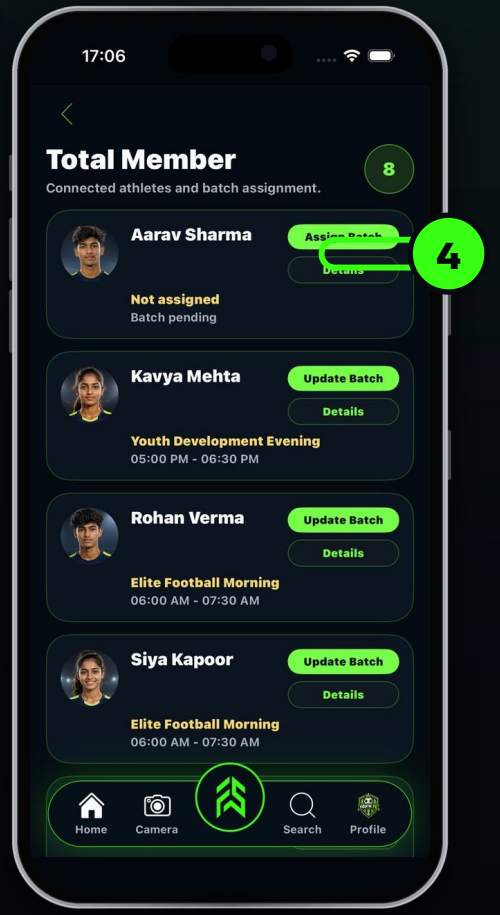

3 / 11

How athletes join your academy

Members come to you through your public profile.

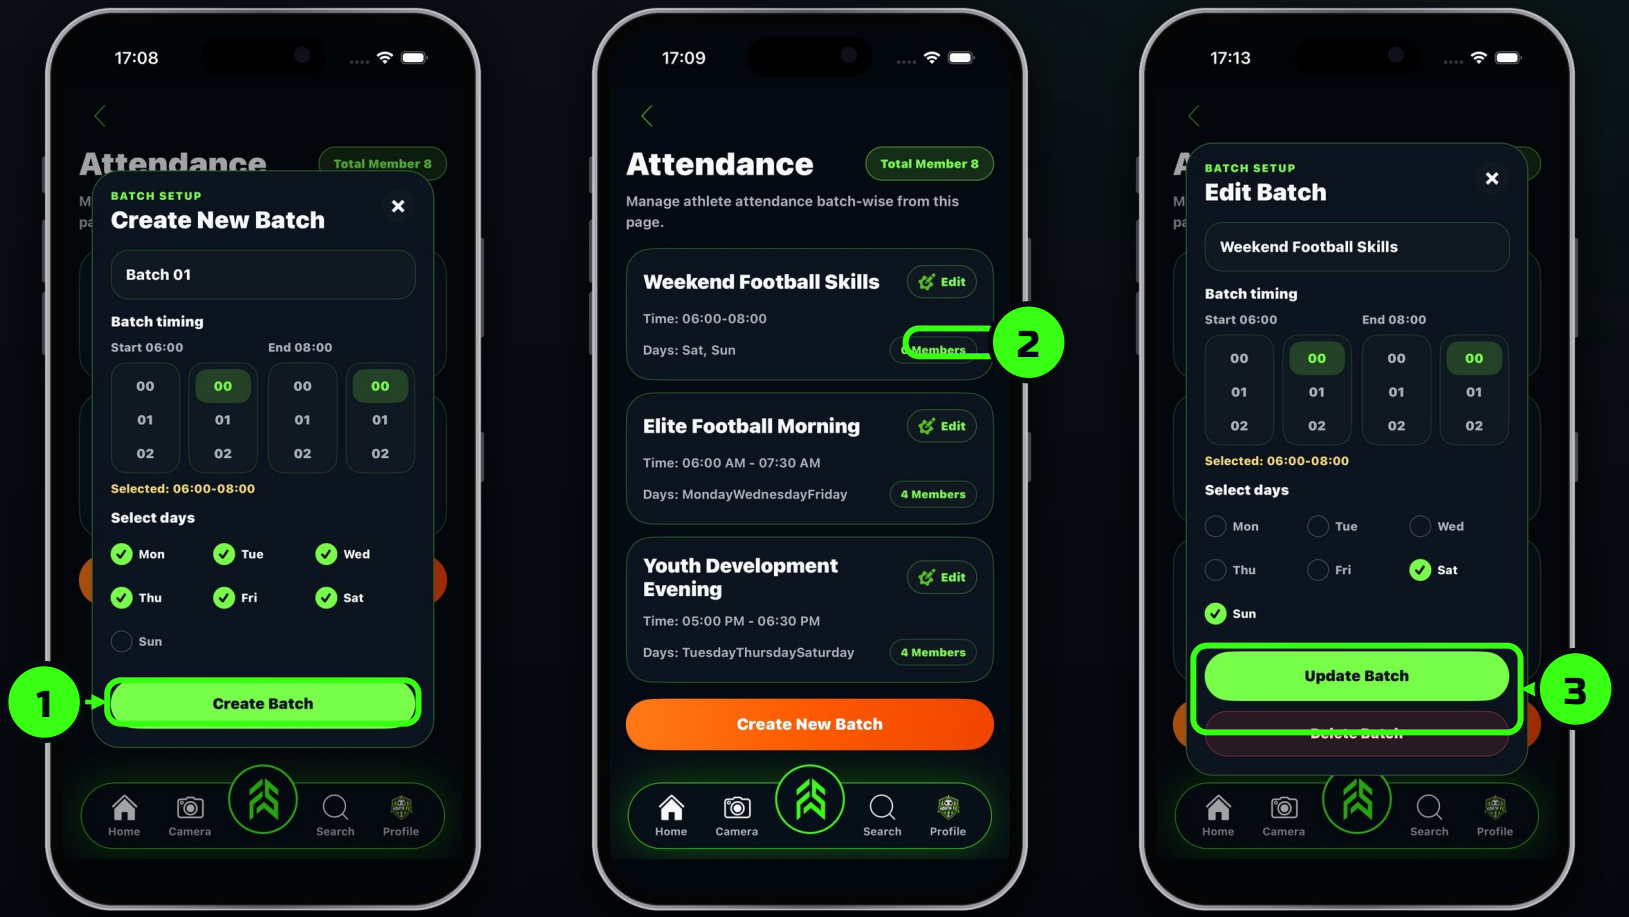

1. **They find you**
   Find Nearby, Search or the feed
2. **They tap Connect**
   On your public profile
3. **You accept**
   Requests arrive in Notifications
4. **You assign a batch**
   In Total Member, tap Assign Batch

Create a batch in seconds

Batches group athletes by timing and training days.

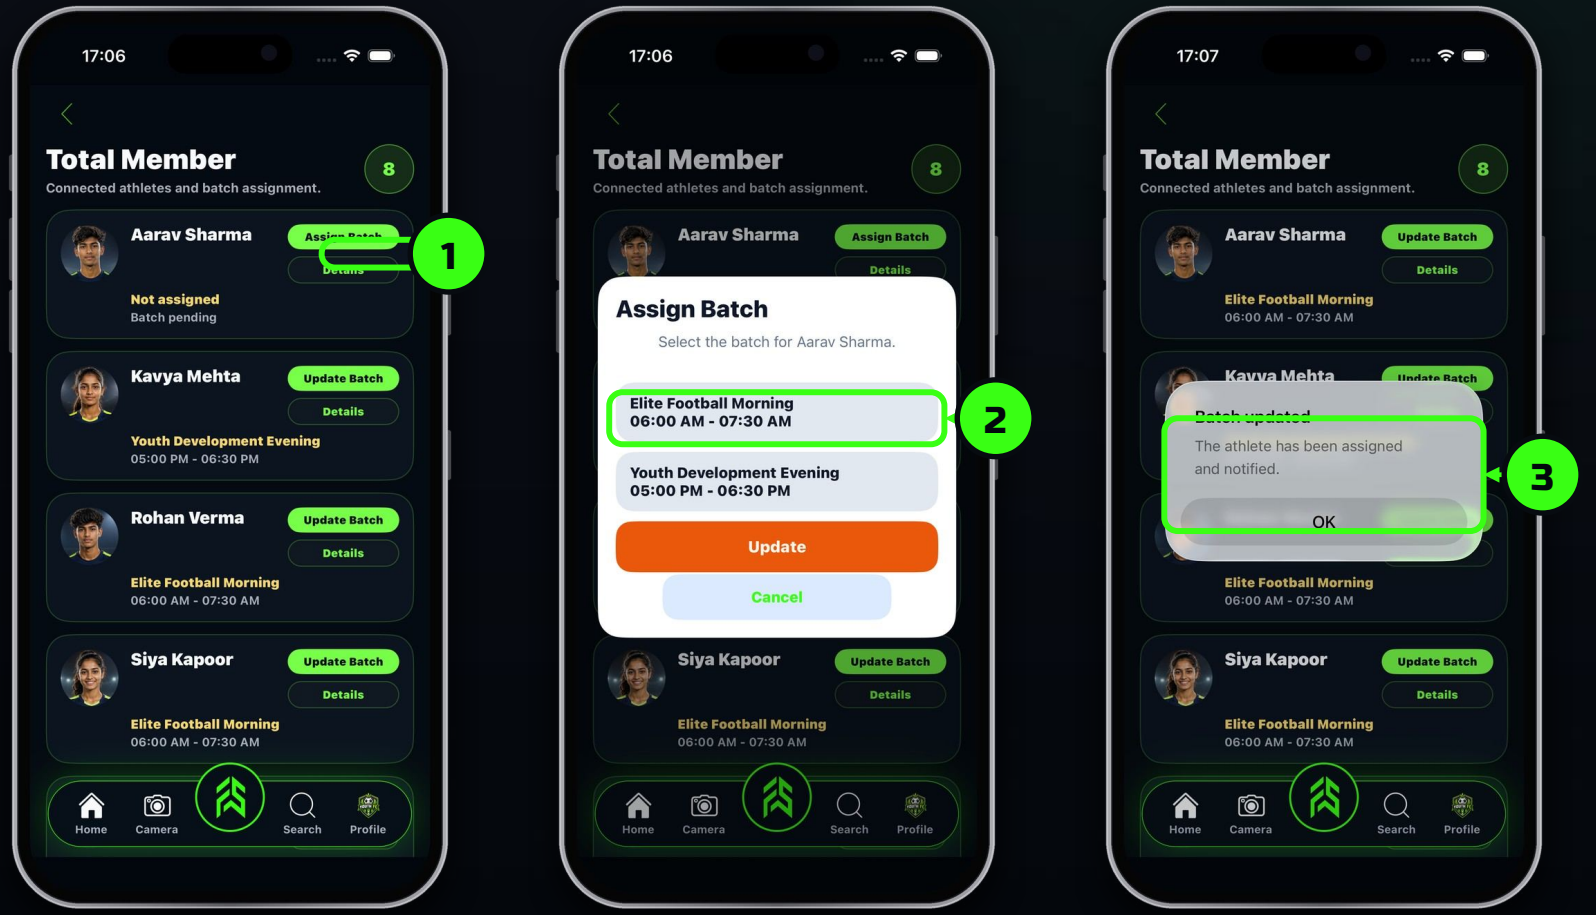

1. Tap Create New Batch, set time and days
2. Check time, days and members
3. Tap Edit to update or delete

Put every member in the right batch

Assigning takes two taps, and the athlete is notified.

1. Tap Assign Batch on a new member
2. Pick a batch, tap Update
3. Done: the athlete is notified

SECTION 04 OF 11

04

Attendance

Mark a whole batch in under a minute. No registers.

IN THIS SECTION

- Open a batch and pick a date
- Mark the four statuses
- Update saved attendance

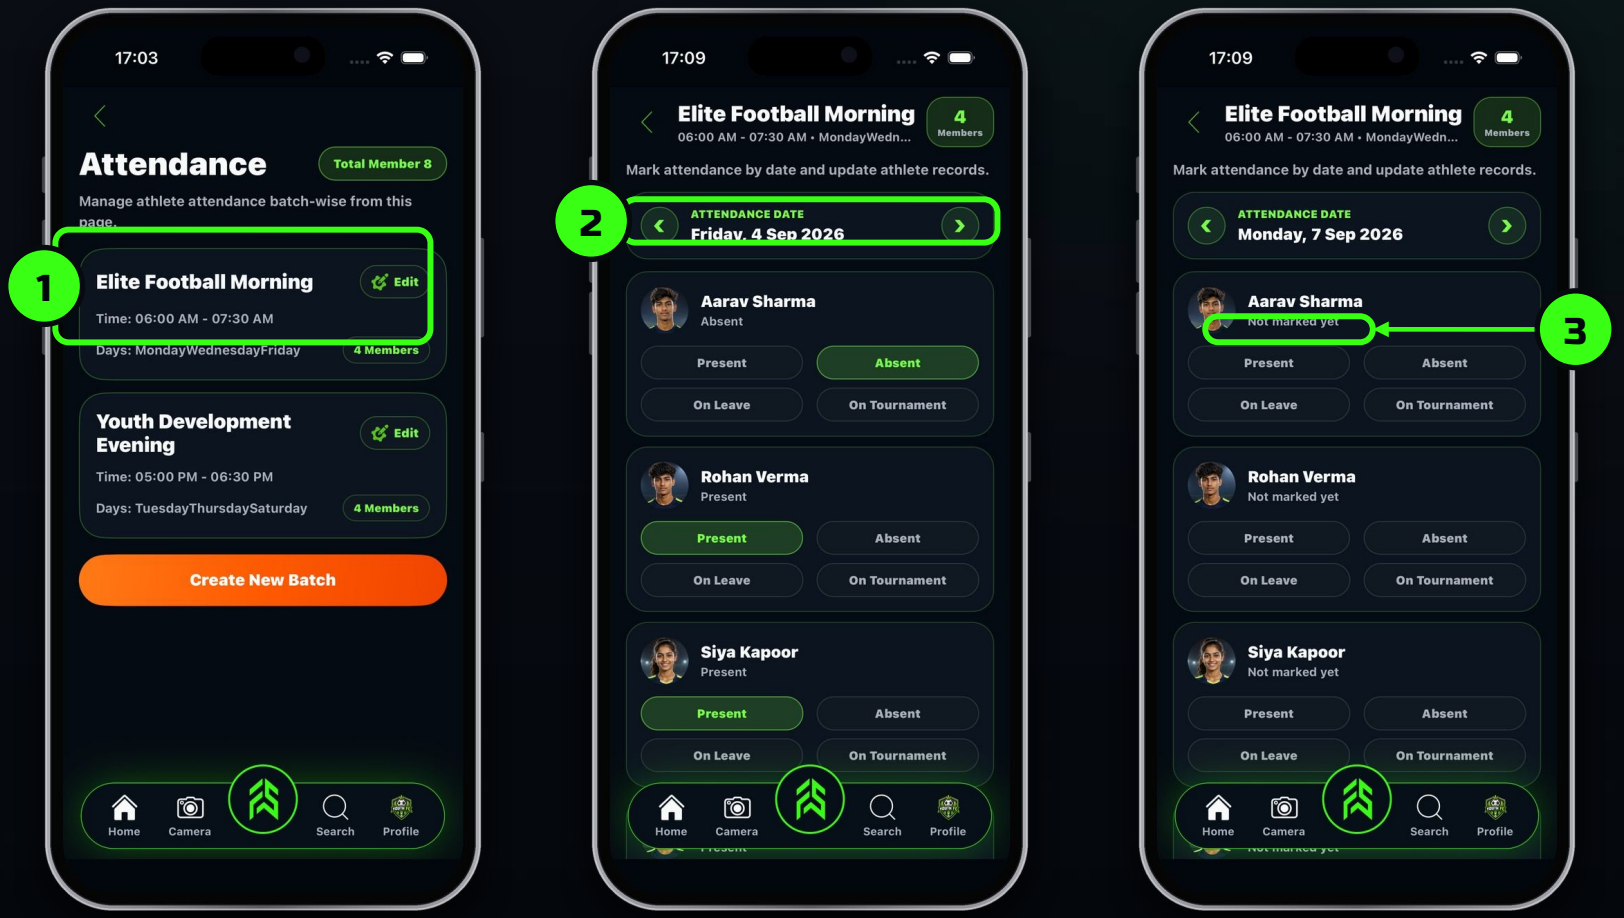

4 / 11

Open a batch and pick the date

Attendance is saved per batch, per day.

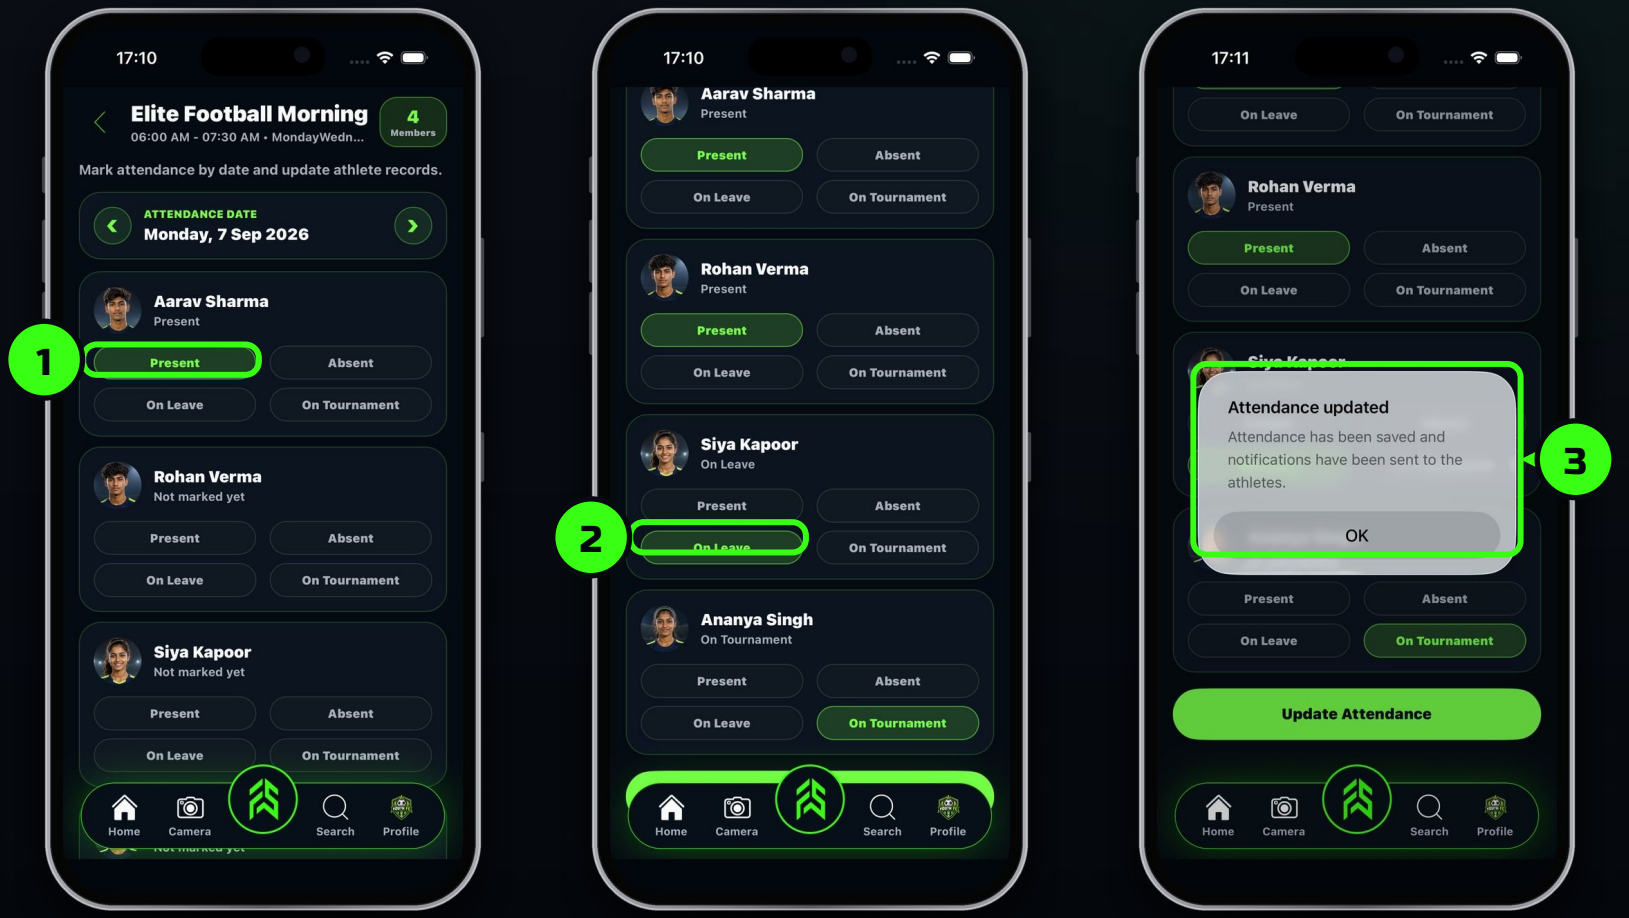

1. Tap a batch
2. Pick the date with the arrows
3. Everyone starts as Not marked yet

Mark attendance with one tap

Four statuses cover every situation.

1. Tap Present or Absent
2. Away? Tap On Leave or On Tournament
3. Tap Update Attendance to save

Made a mistake? Update it later

Saved attendance can be changed at any time.

1. Open the saved date
2. Change any status
3. Tap Update Attendance again

SECTION 05 OF 11

05

Parent Consent

Member details and parent consent, always in your pocket.

IN THIS SECTION

- Member details
- Parent Consent Form
- Download Consent PDF

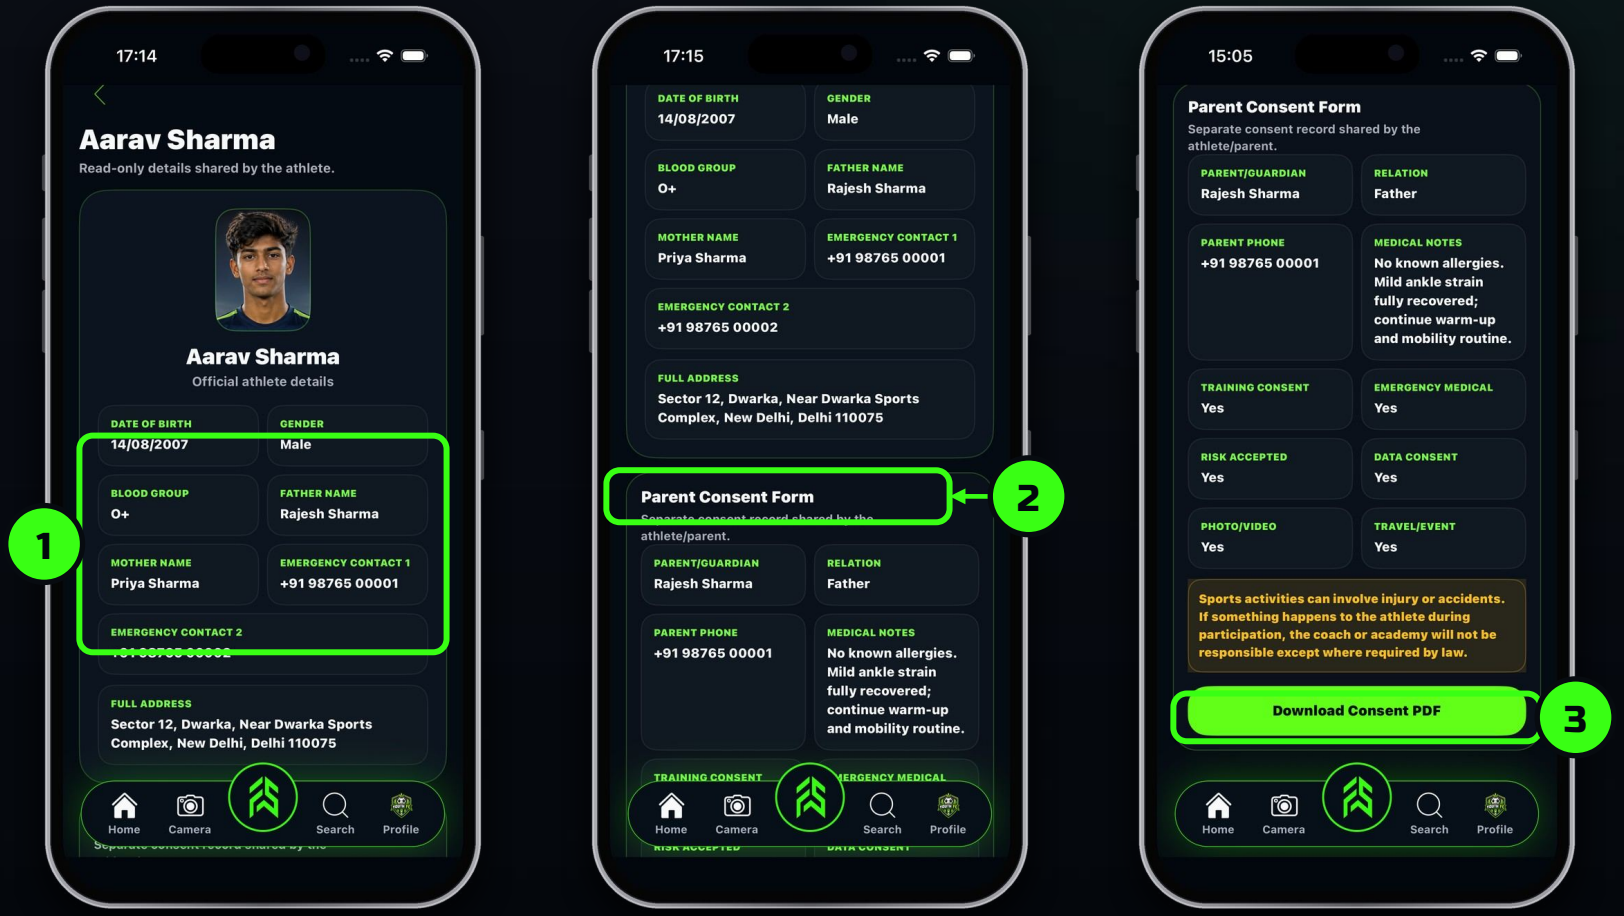

5 / 11

Member details and parent consent

Shared by the athlete or parent. Read-only for you.

1. Tap Details to see member info
2. Scroll to the Parent Consent Form
3. Tap Download Consent PDF

SECTION 06 OF 11

06

Finance & Fees

Know what came in, what went out and who still owes.

IN THIS SECTION

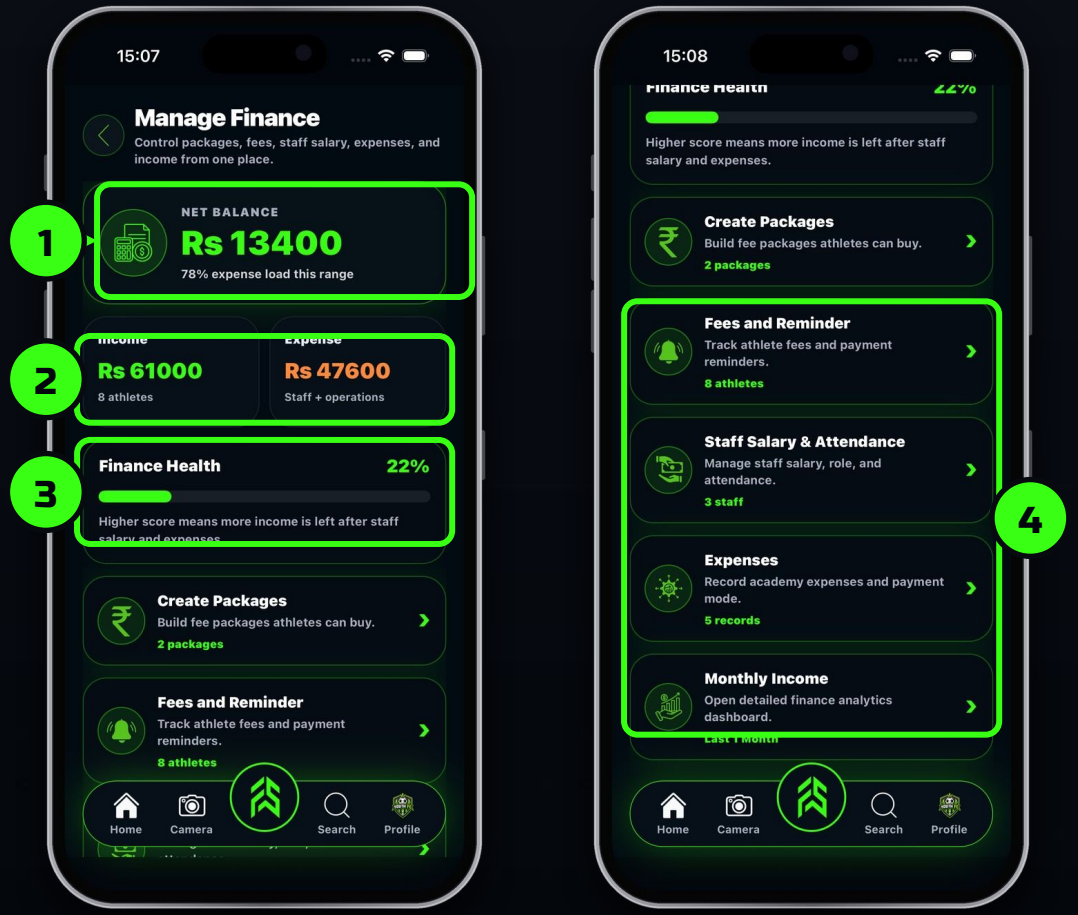

- Manage Finance overview
- Fees, reminders and cash
- Staff, expenses and income

6 / 11

See your academy's money at a glance

FSLA > Manage Finance (academy owner only).

1. Net balance for the range
2. Income vs expense
3. Finance Health score
4. Open any finance tool below

> Every tool is free. No subscription.
